## Welcome from the MCT

### Welcome to the 6<sup>th</sup> Annual Mountsorrel REVIVAL!

Welcome to the 2019 Mountsorrel REVIVAL. It is difficult to believe that it is six years since the first rain drenched REVIVAL in 2014.

After each REVIVAL we have asked you what you liked and didn't like and have changed things accordingly. This year we have increased the attractions so that there is more for children of all ages, we have added more music around the site to give it more atmosphere, and also tried to encourage more local people, particularly groups, to join the parade and to make it more colourful.

We hope that the sun shines and that you will all have a most enjoyable day.

And afterwards please tell us what you thought of REVIVAL 2019 by completing our anonymous online survey at: [the-mct.co.uk/survey](http://the-mct.co.uk/survey)

## “Car buying made simple”

From the moment we opened the doors on our new site here in Mountsorrel just under a year ago the local community have supported us and we could not be more grateful. Since our humble beginnings in Hampshire back in 2006 Imperial Cars are now the largest RAC approved dealer group in the UK with over 3000 quality used cars in stock and ready to retail and if we do not have the car of your dreams at Mountsorrel we will move a car from one of our sister sites for you.

Our aim is to make purchasing a used car simple and affordable. Our award winning website allows potential customer to see 360 degree photos of their new car as well as a copy of the HPI certificate, MOT details and service history. You can also see a copy of the 115 multi-point inspection and road test report which all of our cars undergo prior to sale. This eliminates many of the questions people have before driving over to see the car.

Martin Hall, Sales Manager at Mountsorrel commented

“ We have been bowled over by the welcome we have received from the lovely residents of Mountsorrel and we are looking forward to being part of the community for many years to come and to showing the people of the East Midlands and beyond a better way of buying their next car.”

Our service department offers some of the best prices on both servicing and MOTs no matter what make or model and for a limited time we are also offering a FREE HEALTH check. The service manager Vish and his team of experienced and fully trained technicians will also be more than happy to quote and carry out all aspects of repair work.

# Do You Fancy Learning a New Skill?

Want to learn a new skill? Want to improve your CV? Want to try things you've not tried before? Then why not join the team that brings you REVIVAL?

Ever tried to close a road, work with a sponsor, liaise with the emergency services, run a website, plan how to set out stalls and attractions on 14 acre site, organise over 60 volunteers, or work with the media?

This is just a sample of the things we do. If you fancy enhancing your skill-set it's surprisingly easy. To join the team all you have to do is have can-do attitude. You can give as little or as much time as you like to the event. Just focus on one part of it or lend a hand to several. It's your choice.

We're just a group of ordinary people who have learnt how to do extra-ordinary things.

# MOUNTSORREL REVIVAL

# Stonehurst Family Farm

Est. 1951

The Mountsorrel REVIVAL couldn't go ahead without the support of local businesses like Stonehurst. They have been supporting us since year-1 providing all of the straw bales for the ever-popular soap box race track free-of-charge and also giving over their large field on Sibley Road to be used as the REVIVAL Car Park. All of the money raised from the Car Park is split equally between the local Scouts and the MCT to help cover some of the costs of running this free event.

The farm is open 7-day a week selling local produce in its shop, providing teas, coffees and food through its Farmer's Den teashop, many interesting vehicles and other memorabilia in its museum and of course, providing hands-on-experience with lots of animals for children of all ages from 1 to 99+. ## REVIVAL Visitor Survey

Your feedback in previous years has led to improvements this year such as:

- *Improved Arena*
- *More for young people to do*
- *Better Signage*
- *More music*

After this year's event please take 2 minutes to complete our anonymous **REVIVAL 2019** Survey

to let us know what you think. Use it to tell us whether the changes we made this year have helped and/or whether there are other things you would like us to focus on.

The survey will be open until 31st August. Remember — if you don't tell us, we can't improve it.

You'll find the REVIVAL survey at: [the-mct.co.uk/survey](http://the-mct.co.uk/survey)

# Mountsorrel Heritage Group

At this year's Revival you will find us in the new Museum Room upstairs at the Library! We have worked for a long time to get a permanent space to showcase the heritage of the village and at last with the help of the Parish Council it has happened. It's still early days in developing the room and displays but we are now normally open on Thursdays, Fridays and Saturdays during normal library opening hours.

We've a programme of temporary displays alongside our current longer term ones which look at Mountsorrel Quarrymen, Archaeological finds and the War Service of villagers. Other subjects will be displayed as we develop.

Many of the photos and related information that we use came of course from the late Noel Wakeling. Noel was a founder member of the Group and a noted advocate of the village and its heritage. He is sadly missed by us all but we are sure he would be really pleased that there is at last a Mountsorrel Museum.

We welcome both visitors to the Museum and to our monthly talks programme held in the Memorial Centre. We also welcome new members to take forward both the Museum and the Heritage of our village, do come and talk to us to see how you can help and enjoy yourself at the same time.
